

ADGAIN Capsules (Nutritional hair supplement)

What is Adgain?

Adgain is a nutritional hair supplement which consists of the following ingredients:

Calcium D-pantothenate.....	50 mg
L-Cystine.....	60 mg
Thiamine mononitrate.....	10 mg
Brewers yeast.....	100 mg
Biotin.....	5 mg
Iron.....	10 mg
Zinc.....	25mg

What are the benefits of using Adgain?

Adgain is a dietary supplement for hair. It supplies hair with the fortifying substances like L-cystine, brewer's yeast and calcium pantothenate (CYP). It improves the hair structure, strengthens the hair, and increases the resistance of the hair to mechanical and chemical damage and damage caused by sunlight.

Who should use Adgain?

Adgain should be used by individuals who have:

- Hair loss
 - Telogen effluvium
 - Diffuse hair loss
 - Androgenetic alopecia
 - Hair loss due to changes in the hair structure (stressed, thin, inelastic, brittle, lifeless, dull and colourless hair)
- Hair damaged by sunlight
- Greying of the hair

What is the recommended dosage of Adgain?

The recommended dosage of Adgain is one capsule per day.

How is Adgain available?

Adgain is available as a strip of 10 capsules.
